

NRP Graduate Student Symposium 20th August 2009

To be held in Kings College Conference Centre, University of Aberdeen

Call for Papers

The Northern Research Partnership in engineering and related disciplines is pleased to announce a call for papers for the NRP Graduate Student Symposium to be held in the Kings College Conference Centre, University of Aberdeen on the 20th August 2009.

The NRP Graduate School welcomes submissions in the areas of:

- Civil Engineering
- Computational Systems
- Energy & Clean Technologies
- Medical Technologies
- Nonlinear & Complex Systems

Joint Research Institute Sessions

There will be two Joint Research Institute breakout sessions to which papers are invited for presenting under the above areas.

Abstracts of 1 side A4 should be sent via e-mail to nrp@abdn.ac.uk, indicating the research area they are being submitted under, no later than 10th July.

Poster Session

Graduate Students undertaking work of high promise which has yet to reach sufficient maturity for presentation at one of the presentational sessions may submit for inclusion in the poster session.

In addition, the Directors of the Joint Research Institutes may request paper authors who are not chosen for the presentational sessions to submit their paper in the form of a poster for the poster session.

Authors will be notified of acceptance of their poster submission by 10th July.
