

NRP Graduate Student Symposium 20th August 2009

Symposium Programme

The NRP Graduate School Student Symposium will be held 20th August 2009 in Kings College Conference Centre, University of Aberdeen. Delegates should ensure they have registered. All documents can be downloaded from www.northscotland-research.ac.uk/graduatesymposium.

The symposium is open to all postgraduate research students working in areas of relevance to the NRP JRIs across the three participating institutions.

Time	Programme Item	Venue
09.15	Registration & Tea/Coffee	James McKay Hall
09.45	Plenary Session: Invited Speaker	King's Auditorium
10.15	Tea/Coffee	James McKay Hall
10.45	JRI Sessions**	Breakout Rooms*
12.00	Buffett Lunch & Poster Session	James McKay Hall & Balcony
13.30	JRI/Group Sessions	Breakout Rooms*
15.45	Tea/Coffee	James McKay Hall
16.15	Closing Session & Prize Giving	King's Auditorium
17.00	Close	

* Delegates will be informed at the start of the symposium concerning which breakout room they are in.

** Delegates attending for the Computational Systems Group sessions should note there is no group session in the morning. As such these delegates should select one of the other JRI sessions to attend for the morning session.

Prizes will be awarded for the best symposium poster and the best paper presented within each JRI/Group.

Spaces at the JRI sessions will be restricted according to relevance of research study area to ensure informed discussion and involvement.

Symposium attendees are expected to make their own arrangements for travel to and from the venue.
